ABILITY STATEMENT

WHO WE ARE

Keen Government Solutions is a **Woman-Owned Small Business (WOSB)** prime contractor delivering program management, staffing, facilities support, and professional services to federal agencies. We bridge mission requirements with best-in-class local and regional subcontractors — providing agencies a single accountable point of contact with the agility of a small business.

CORE COMPETENCIES

PROGRAM & CONTRACT MANAGEMENT

End-to-end prime contract oversight, deliverable tracking, compliance reporting, and agency relationship management.

FACILITIES & SUPPORT SERVICES

Janitorial, groundskeeping, property maintenance, and general facility operations for government buildings.

STAFFING & WORKFORCE SOLUTIONS

Temporary and permanent staffing, administrative support, and workforce augmentation for federal operations.

PROFESSIONAL & ADMINISTRATIVE SERVICES

Data entry, records management, training support, logistics coordination, and general administrative services.

SUBCONTRACTOR SOURCING & OVERSIGHT

Identification, vetting, and management of qualified local subcontractors to fulfill specialized contract requirements.

COMPLIANCE & REPORTING

FAR/DFARS compliance, small business subcontracting plans, performance reporting, and contract close-out management.

WHY KEEN GOVERNMENT SOLUTIONS

- ◆ WOSB set-aside eligible — access reserved federal contract pools
- ◆ Established regional subcontractor network across Illinois and the Midwest
- ◆ Proven sourcing methodology to staff contracts quickly after award
- ◆ Technology-driven pipeline management and compliance tracking
- ◆ Responsive, senior-level attention on every contract — no hand-offs
- ◆ AI-augmented proposal development and performance monitoring
